

A Message from the Editor

The 21th International Arab Conference on Information Technology ACIT'2021, was organized by Sultan Qaboos University during the period of 21th to 23th Dec. 2021 as a virtual conference. The conference attracted more than 130 high-profile researchers, experts, and scientists from all around the world to discuss contemporary research and innovative ideas in the field of information technology. The research papers presented in the conference covered a wide range of novel ideas related to the applications of information technology in various scientific fields.

As a conference chair, it is my pleasure and great privilege to present to you this special issue of IAJIT that contains the best presented papers in ACIT'2021.

I would like to deeply express my sincere gratitude to Dr. Mohammad Hassan for all his great efforts in all the activities of the ACIT'2021 conference and the subsequent supervision who helped produce this issue. I would like to thank all the authors who submitted papers, the editorial committee members and reviewers who made great efforts to complete this special issue and the Editorial Committee of IAJIT Journal who gave us the opportunity to publish this special issue.
